

List of patent declarations received by CEN and CENELEC

This document is provided purely for information.

Please note that the CEN-CENELEC Management Centre gives no guarantee as to the completeness or correctness of the information supplied. You may however assume that any information not included, is not available.

CEN-CENELEC Guide 8, *CEN-CENELEC Guidelines for Implementation of the Common IPR Policy (Patents and other statutory intellectual property rights based on inventions)*, defines the common CEN and CENELEC policy in relation to IPR issues and gives a systematic procedure for the implementation of the policy developed at international level by ISO and IEC (see ISO/IEC Directives Part 1, Reference to patented items, and Part 2, Annex F).

Lists of patent declarations received by ISO and IEC are available for consultation here:
